COMMERCIAL DRIVING FUNDAMENTALS

ONLINE TRAINING

Introduction

Commercial Driving Fundamentals (CDF) is an innovative online training program spearheaded by the [Canada Safety Council](#) (CSC), designed to elevate safety standards for Class 1/A drivers across the nation.

Developed in partnership with [Bluedrop ISM](#), a leader in transportation training solutions, and funded by the Government of Canada's *Skills for Success* Program, the initiative leverages the CSC's expertise and unwavering commitment to delivering vital transportation safety programs for the benefit of all Canadians.

About the Training

CDF builds on the success of *Driver for Hire Online Training* and focuses on enhancing the skills, safety, and overall performance of commercial drivers. This advanced program features a certificate curriculum track along with nine optional courses and offers a variety of features and benefits.

Stakeholder Value

Tailored specifically for the unique needs of commercial trucking, CDF delivers significant long-term value for industry stakeholders.

Class 1/A Employers

Strengthen safety initiatives with certified training tailored for your drivers, enhancing customer satisfaction and trust.

Commercial Driving Schools

Leverage this training option to enrich your service portfolio and provide a valuable resume booster for your clients.

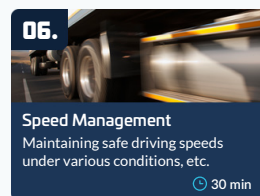

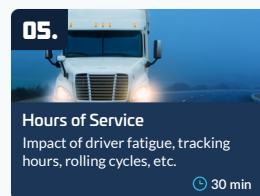

Drivers & Job Seekers

Boost your skills, confidence, safety, and employability with a relevant, in-demand hiring credential.

Program Overview

Certificate Courses

The CDF certificate curriculum consists of six interactive courses, which are enriched with practical examples and continuous knowledge assessments.

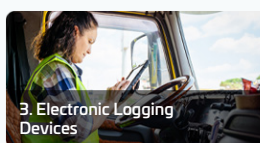

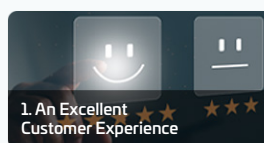

Drivers earn digital completion certificates from the Canada Safety Council, always accessible and shareable via their secure SkillsPass training account!

Additional Courses

CSC will soon release nine advanced courses. These courses will cover additional in-demand safety and performance topics and help drivers build on their gains from the CDF Certificate Program.

The first organizations to join our *Select Partners* program will receive these impactful courses FREE of charge!

+ 6 MORE!

- Air Brake Inspections
- Oversize/Overweight Permits
- Emergency Situations & Equipment

- Dangerous Goods
- Securing Cargo
- Driver Roles

Select Partners

During this pilot project, CSC is seeking critical input and feedback on our courseware from drivers, employers, associations, and training schools. In appreciation for their input and feedback, we will offer a limited number of *Select Partners* an incentive payment, plus the certificate program and the additional courses at *no charge*. In addition, any drivers referred by *Select Partners* who complete the CDF program (and the final survey) will receive a \$300 honorarium!*
